## 2026 Annual Directory

The Shield Wall Media Annual Directory is the most comprehensive resource for finding suppliers in the areas we serve. Depending on the specific magazine 15-25% of the readership does not use the internet. This is where they look to find vendors and resources in our target markets.

## GARAGE • SHED • CARPORT BUILDER SHOW

**JANUARY 15-16, 2025**

Since we publish magazines that have been around for decades, Shield Wall Media has long-standing relationships with suppliers and manufacturers. The Garage, Shed & Carport Builder Show brings many of them together so builders of special-use residential structures can find the materials and services they need all in one place. In addition to a robust exhibit hall, the show includes educational sessions and other networking opportunities for manufacturers and shed builders.

## POST-FRAME BUILDER SHOW

**JUNE 25-26, 2025**

The Post-Frame Builder Show brings together an exclusive audience of frame-building decision-makers and the manufacturers of the best post-frame products. Attendees for the Post Frame Builder Show, like all of our shows, are the company decision makers and look forward two days of networking, ordering, and learning at our informational sessions.

## Construction Rollforming Show

**OCTOBER 1-2, 2025**

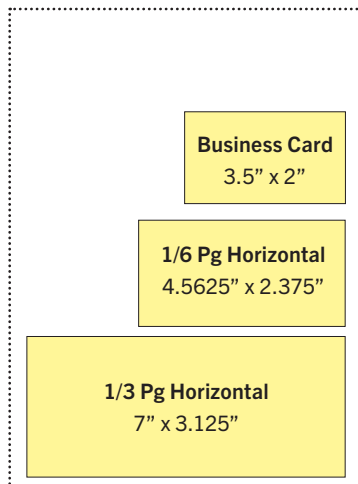

The Construction Rollforming Show is unique. If you roll form or use benders or brakes to form panels, channel, studding, soffits, gutters, carports or other construction components this is your show. The educational programming and exhibitors are tailored specifically to companies that roll form or metal form for the construction industry. This IS NOT a show for small contractors. This is a specific niche of manufacturers and builders large enough to do their own fabrication and buy materials and components in pallet, container or truck load lots.
