FootingPad®

400 Carol Ann Lane
Ossian, IN 46777
800-522-2426
sales@footingpad.com
www.footingpad.com

Support load capacities up to 9,327 lbs. per footing. Innovative composite footings match the strength and durability of concrete—at a fraction of the weight. Save time, labor and hassle with FootingPad®, the ICC-ES-certified code-compliant solution for wood posts, laminated columns, concrete piers, and Perma-Column®. Online load tables simplify selection.

Graber Post Buildings, Inc.

7716 N 900 E
Montgomery, IN 47558
800-264-5013
info@graberpost.com
www.graberpost.com

A leading company in the post-frame industry for roll-formed metal, custom trusses, and metal roofing. Graber manufactures and distributes numerous components for post-frame structures. It is a complete, post-frame building package company, a 'One Stop Shop.'

GreenPost/Planet Saver Industries

New Holland, PA 17557
610-377-3270
717-355-2018 (fax)
https://www.planetsaverind.com

Green Post from Planet Saver Industries

is an affordable, all-in-one solution for in-ground post decay, treatment retention, and uplift restraint. Green Post's double-layer wrap is factory heat-sealed to the lumber and delivered ready to install with uplift restraint notches. When used with cement, this technique provides maximum anchorage characteristics, resisting post withdrawal generated by wind load. It is non-toxic, environmentally friendly, and termite-tested.

Hixwood

N14685 Copenhaver Ave.
Stanley, WI 54768
715-644-0765
sales@hixwood.com
www.hixwood.com

QUALITY YOU CAN COUNT ON means consistent, reliable products for results you and your customers will both be proud of! Builders rely on Hixwood for high quality steel panels, full kit delivery, and the components & accessories for exceptional post-frame and steel-frame buildings. Rollformers rely on Hixwood for coils, recoils, and flat stock in an extensive range of gauges, substrates, and finishes – plus a HDPE color palette with more than 40 options! Hixwood - Your trusted building materials supplier since 1998.

Monarch Columns LLC

128 W. Princeton St.
Crofton, KY 42217
270-348-1724
adin@monarchcolumns.com

Monarch Columns is a wholesale

distributor. We use only #1 or #1 Prime Southern Yellow Pine lumber. The treated portion of our columns features .60 CCA treatment and includes a 50-year warranty against rot, decay, or insect damage. Our columns are finger-jointed and planed on all sides to ensure dimensional accuracy and consistent glue adhesion between plies. We offer 3-ply and 4-ply 2x6 and 2x8 in up to 42' lengths. We stock 3-ply 2x6 posts in 12'-32' lengths. We specialize in quality and sort lead times!

Perma-Column®

400 Carol Ann Lane
Ossian, IN 46777
800-622-7190
260-622-7192 (fax)
sales@permacolumn.com
www.permacolumn.com

Innovative post-frame foundations that last for generations. Perma-Column® precast concrete columns and Sturdi-Wall® anchor brackets are the only ICC-ES-certified solutions that elevate wood out of the ground and eliminate wood rot. Comprehensive product line-up for posts, Nail-Lams, and Glulams sold through nationwide distribution. BUILD BETTER. BUILD STRONGER. BUILD TO LAST.

Plasti-Sleeve / Homework Design Inc.
